

WOMAN, DRUGGED AND NEAR DEATH, FOUND IN STREET

Case of Mrs. Jennie Whitehead Has Many Strange Circumstances.

LEFT NOTE TO HUSBAND.

He Has Not Been Seen in the Neighborhood of Home Since Yesterday.

Mrs. Jennie Whitehead, a stylishly dressed woman, who lived with her husband Ernest at No. 329 East Forty-third street, Manhattan, was found unconscious on the pavement at Fourteenth street and Vernon avenue, Long Island city, at 4 o'clock this morning, suffering from a drug. Though she has been unable to make any coherent statement, the police declare she took the drug herself.

There is considerable mystery in the case. Nothing has been seen of the young woman's husband in the neighborhood since yesterday morning. He is said to hold an important post in a department store in this borough and occupied with his wife a room in the old-fashioned white stone dwelling house in Forty-third street.

Mrs. Whitehead left the house at 9 o'clock last night, saying to Mrs. Mary Wilton, with whom she had been eating ice cream in her room, that she was going to a neighborhood store. She wore a handsome set of furs, a diamond solitaire, recently purchased, a diamond and pearl ring and a wedding ring. The police who found her report that she had on only a wedding ring, but carried a purse in which there was \$1 and some change.

Detectives who went to the Forty-third street house found pinned on the dresser of the Whitehead room a letter addressed to the husband, marked "Personal" to be opened. Beside this was a gold chain and locket that the young woman had frequently worn. The police did not open the letter when they heard from St. John's Hospital that Mrs. Whitehead was likely to recover.

The surgeon who took the young woman to the hospital in an ambulance said that traces of some drug were on her lips when he found her. When she recovered consciousness, her talk was incoherent. When, what she took the drug herself and did not mean the victim of a robbery.

A Brooklyn trolley transfer found in her hand bag showed that she had been in that borough before she reached Long Island city.

No one in the house where she lived could tell where the husband worked. The couple had always seemed well supplied with money and rarely quarrelled. Mrs. Whitehead is thirty-five, plump, smart and very pretty.

ROBBER'S LOOT HIDDEN IN WOMAN'S HAIR

Prisoner in the Night Court Caught with the Goods in Her Pompadour.

A young woman who said she was Annie Rose, of No. 108 Baxter street, was arraigned in the Night Court last evening charged with burglary. Joseph W. Rosenbaum, a storekeeper, of No. 229 Centre street, having identified a comb in her hair as his property in the Elizabeth street station, she had been arrested on a charge of disorderly conduct.

Magistrate Stedman held her in \$500 bail for examination to-day. She had been arrested early in the evening and in the Elizabeth street station. She had been identified as the comb in her hair. He remembered that comb in her hair. He remembered that comb in her hair. He remembered that comb in her hair.

The lieutenant sent for Rosenbaum, and the storekeeper declared that the comb was one of those stolen from his place.

CORONER'S FATHER DIES IN HIS SLEEP

Elder Acritelli Found Lifeless in Bed by Son, Who Must Hold Inquest.

Francesco Acritelli, who, with his wife, have lived on his son, Coroner Peter Acritelli, died last night.

Coroner Acritelli found his father dead in bed at 6 o'clock this morning. His hands folded across his breast. The Coroner tottered and fell at the bedside, crying like a child.

When he regained his composure he bent over his father's form again in a hopeless search for a spark of life and then called his aged nurse in to assist him. He pronounced the elder Acritelli's death due to heart trouble. He had been dead several hours.

The death occurring in Coroner Acritelli's district, it will be necessary for him to make out a permit for the burial of his father and sit through the formality of an inquest.

A SONG HIT ABOUT THE FIREMEN. "The Boys that Fight the Flames" is the title of the song hit by George M. Cohan, who is now playing "Fifty Miles from Boston" at the Grand Theatre. The words and music, complete, of this latest popular Cohan song will be given in the unsolicited section of next Sunday's World, Music by permission of F. A. Mills, publisher.

ACTRESS WHO MAY BE FORCED TO QUIT STAGE BY ILLNESS.

BLANCHE WALSH

BLANCHE WALSH BREAKS DOWN AND MAY QUIT STAGE

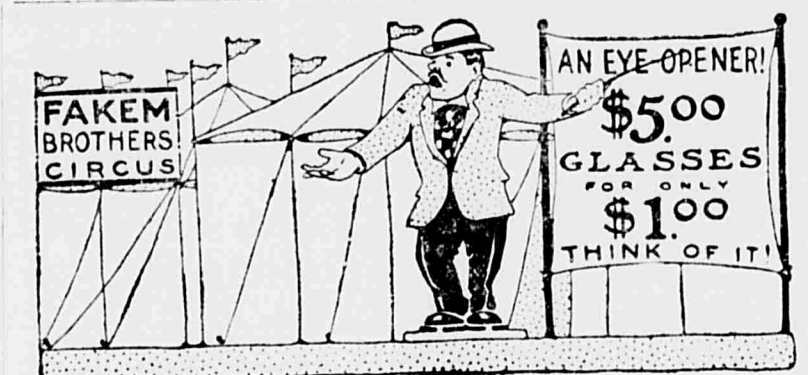

Actress Collapses on Southern Tour and Is Hurried to Memphis for Treatment.

News reached New York to-day of the complete breakdown of Blanche Walsh at Shreveport, La. According to the latest reports of her condition, she may never be able to play again. Her collapse came yesterday in her apartments in the Phoenix Hotel.

She was unconscious for a time, and it was feared she was dying. After working with her for several hours two physicians announced an improvement, and she was hurried to Memphis on a special car for treatment.

Miss Walsh fainted three times on the stage at Beaumont, Tex., Monday night. She was to have played in Shreveport last night. So critical was her condition after her collapse yesterday that John Moore, her manager, announced, after spending a short time with her, that she was dying. Later he said:

"It is a complete breakdown, and while Miss Walsh is better, I doubt whether she will ever be able to play."

Circus Methods in Eyeglass Selling. Did You Ever Buy Anything Worth \$5.00 for \$1.00?

How did it pan out? Take eyeglasses, for instance. "Bargain" or "Special Sale" eyeglasses mean the ready-made, green-lensed kind imported by the thousand pairs to sell regardless of quality or correctness.

You might as well expect to buy good, fresh eggs at 5 cents per dozen when eggs are scarce as to hope to get honest eyeglasses "worth three dollars for the bargain price of fifty cents per pair."

Good eyeglasses—fit to wear as an aid to vision—are made of American crystal one pair at a time, to meet the requirements of each particular case.

We give you the double service of a registered PHYSICIAN—an Oculist who has had both hospital and private practice—and a skilled OPTICIAN, whose exclusive work is the fitting and adjusting of frames.

We have no "Bargain" or "Special Sales." We charge you \$1.00 for glasses that are worth \$1.00 and \$3.00 for glasses that are worth \$3.00, AND BACK OF EVERY PAIR IS THE ABSOLUTE GUARANTEE OF AN OPTICAL HOUSE OF REPUTATION AND RESPONSIBILITY.

ARE YOUR KIDNEYS WEAK?

Thousands of Men and Women Have Kidney Trouble and Never Suspect It.

Nature warns you when the track of health is not clear. Kidney and bladder trouble compel you to pass water often through the day and get up many times during the night.

Unhealthy kidneys cause lumbago, rheumatism, catarrh of the bladder, pain or dull ache in the back, joints or muscles, at times have headache or indigestion, as time passes you may have a sallow complexion, puffiness or dark circles under the eyes, sometimes feel as though you had heart trouble, may have plenty of ambition but no strength, get weak and waste away.

If such conditions are permitted to continue serious results are sure to follow. Bright's disease, the very worst form of kidney trouble, may steal upon you.

Prevalency of Kidney Disease.

Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who content themselves with doctoring the effects, while the original disease undermines the system.

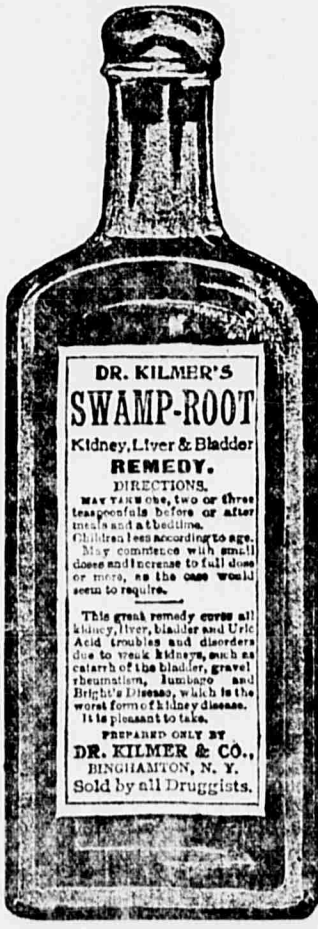

A Trial Will Convince Anyone.

If you are sick or feeling badly, begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because as soon as your kidneys begin to get better, they will help the other organs to health. In taking Swamp-Root you afford natural help to Nature, for it is the most perfect helper and gentle aid to the kidneys that has ever been discovered.

You cannot get rid of your aches and pains if your kidneys are out of order. You cannot feel right when your kidneys are wrong.

Swamp-Root is Pleasant to Take.

If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent and one-dollar size bottles at all drug stores. Don't make any mistake but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., which you will find on every bottle.

Swamp-Root is always kept up to its high standard of purity and excellence. A sworn certificate of purity with every bottle.
